Objective

To build a user-friendly, responsive and secure websites and web applications, to solve real-world problems using web technology.

Experience

- Xdezo technologies** June 09,2023 - September 09,2023
Frontend web developer (interned)
 - During my internship at XDezo Technologies, I was actively involved in developing responsive user interfaces using HTML, CSS, and JavaScript.
 - Collaborated closely with the design team to translate UI/UX mockups into functional and visually appealing web components.
 - Assisted in debugging issues and optimizing front-end performance to improve the user experience. Additionally, I participated in code reviews and team development meetings, which enhanced my understanding of collaborative workflows.
 - Throughout the internship, gained hands-on experience with version control systems such as Git, contributing to structured and efficient code management.
- MILO LOGIC PVT.LTD** February,2024 - Present
Web developer
 - Involved in the design and development of dynamic web application using the MERN stack.
 - Worked extensively with REACT.JS for frontend development.
 - Contributed to ui/ux enhancements based on team and client feedback.
 - Applied git for version control and collaborative development.
 - Restful API integration and handled front-end backend interaction.

Education

- Montessori Memorial English Boarding School** Passed:2073
Grade:10
GPA:3.20
- Tillottama Secondary School** Passed:2075
Grade:12 (science),major (biology)
CGPA:2.67
- Mount Annapurna Campus** Passed:2079
Bachelor:Bsc.CSIT
Percent:64.64%

Skills

- 1.proficient in Microsoft Excel,Word, and internet based tools.
- 2.Demonstrated ability to work independently and in collaborative teams.
- 3.familiar with and can use multiple AI tools.
- 4.Knowledge of HTML,CSS, JAVASCRIPT, and Library such as REACT.JS.
- 5.knowledge of backend programming languages, including Node.js ,Express.js and python framework python like, Django.
- 6.Version control such as Git &GitHub, used to save, track, and collaborate on code.
